I made 5 of my own videos. One by one, they have been of exceptional quality!" "This program has so many features! I have been using it for years. And it's just gotten better with each update. I have to say I think it's the only program that handles my workflow and images properly." "I have been using Newtek tools for years and have always been satisfied with their products. This program is different, though, because I can do almost all of the things I could do with those products with the basic functions of this program. I will be recommending it." "This is a fantastic editing program. It is lightning fast and feature packed and allows you to make all kinds of visual effects. I was able to make a video for my professional lighting class using this program. I was only using it for 10 mins and I had everything I needed to make the video. Definitely worth the money!" "The program's features are just what I was looking for. I make video montages and this program makes it easy to put together a professional presentation. It makes my transition and edit processes much less laborious." "This program is so easy to use and the results are great! I made 5 of my own videos. One by one, they have been of exceptional quality!" "This program has so many features! I have been using it for years. And it's just 6d1f23a050
